

**PRESS
RELEASE:**

FIRE AT MANGWANANI ZEVENWACHT

On Thursday 10th December 2009, Mangwanani Zevenwacht was tragically engulfed by uncontrollable flames. Staff and clients were immediately evacuated. Sprinklers were activated and gas bottles removed from the Spa.

Every effort was made to extinguish the fire, but powerful winds fanned the flames. The Spa burnt down within 20 minutes.

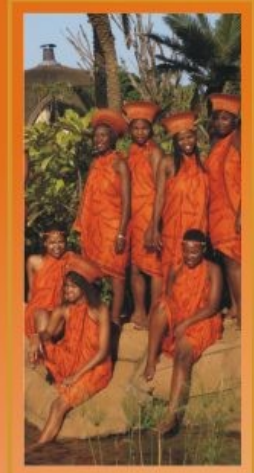

At this early stage it appears that there is nothing retrievable.

ALL OUR STAFF received immediate trauma counseling and are dealing with the situation well. Some staff members have been transferred on a temporary basis to assist at other branches around the country and those remaining will be assisting with our outside events.
