### tasting notes

The wine has appealing aromas of cranberry, raspberry and plum with hints of peppery spice. The palate impresses with ample dark fruit and subtle tannins that are underpinned with elegant oak use that adds to the structure of the wine.

### ageing potential

A delicious wine to be enjoyed now or over the next five years.

### blend information

54% Shiraz, 32% Mourvedre, 14% Grenache

### food suggestions

A hearty stew with root vegetables or a roasted leg of venison served with caramelized onions and a dark cherry sauce.

### in the vineyard

These vineyards are all situated on South westerly and westerly facing slopes ranging in altitude from 100m - 200m above sea level. All the vines are trellised on a seven-wire hedge system that allows for perfect containment of the sometimes vigorous growth habits of the Shiraz and Grenache varieties. Pruned to two-bud spurs, allowing for 16 - 18 bearers per running meter.

### in the cellar

All cultivars were fermented separately in open red wine fermenters. The fermentation temperatures hovered around 26° C peaking at ±28° C. Regular pump overs helped with extracting intense colour and soft, pliable tannins. After fermentation, the wine was pressed and racked to 500L French oak barrels with 20% new oak. The different components were aged for 12-16 months before blending.
